Accessibility Statement for the Website

This Website is run by Risdons Solicitors LLP. We want as many people as possible to be able to use this Website. For example, that means that you should be able to:

- Change colours, contrast levels and fonts
- Zoom in up to 300% without the text spilling off the screen
- Navigate most of the website using just a keyboard
- Navigate most of the website using speech recognition software

We have also made the Website text as simple as possible to understand. AbilityNet has advice on making your device easier to use if you have a disability, including, the use of screen readers. JAWS and nvda are available for you to download. These are particularly helpful for those of you who are blind or visually impaired.

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard. The non-compliances where we are not fully accessible are listed below:

- The text will not reflow in a single column when you change the size of the browser window
- You cannot modify the line height or spacing of text
- Most older PDF documents are not fully accessible to screen reader software
- Some of our online forms can be difficult to navigate using just a keyboard
- You cannot skip to the main content when using a screen reader
- There is a limit as to how far you can magnify the Google map on the individual office pages under Contact Us

Our Site Supports the Following Browsers:

On a PC:

- Microsoft Edge
- Mozilla Firefox
- Safari
- Google Chrome

On a Mac:

- Safari
- Mozilla Firefox
- Google Chrome

If you are experiencing any issues, as a first step, please ensure you are running the latest version of the browser.

If you find any problems not listed on this page or think we are not meeting accessibility requirements, report these issues to Edward Judge by email: edward.judge@risdons.co.uk
